WINEMAKERDrew Tuckwell

WINEMAKER NOTE

Fruit is sourced from two small vineyards in the Nashdale area. There are three different clones – MV6, 114 and 115. Each clone was fermented separately in one-tonne vats. Wild ferment, natural MLF, 50% whole bunches, hand-plunged, old oak maturation and lees stirring in barrel.

TASTING NOTE

Very much a fruit driven style. Immediately shows typical pinot noir character with lifted cherries and raspberries. Whole bunches have added a spice note and there is some background earthiness or mushroom flavours. The acidity keeps the fruit bright. Tannins are soft and integrated.

CELLARINGUp to 4 years from vintage. Not a structured wine for long cellaring.

ALC / STD DRINKS14.0% Alc. 8.3 Std drinks.

ADDITIVESEgg whites. Preservative 220.
